

You Can Make Election 2020 Count for Children

1. Visit Kids Impact Initiative Election 2020 Resources

A compilation of state and national organizations that have developed ways to advocate for children during elections plus information about polling, youth engagement, ballot measures, candidate forums, and more.

<https://kidsimpact.org/election-2020/>

Here's what you will find:

- Getting Started: How to Use Elections for Child Advocacy
- State-Based Advocates Educating Candidates or Voters
- National Organizations Educating Candidates or Voters
- Other Election-Related Activities
- Legislator Voting Records

2. Share on Twitter

Follow these and other groups who are focused on children and the election:
